SMART OUTLETS FOR MEETING TABLES

Easily accessible power, charging and cable access. Available options for outlets with EU standard sockets are presented below.

How to order:

1. Select your preferred set of outlets, lids, and equipment

2. Specify the required cutout type (article no H01-H08)

3. Note the total number of cutouts the cutout type results in for your selected table

4. Order the total number of outlets needed for the selected table.
