

HideAway

1 METAL PILLAR LEG

HideAway with tiltable top is a genuine and sturdy table for fixed furniture, with the advantage that the top can be tilted to the side in case the table needs to be moved away or stored. When the top is folded, the table takes up minimal space. The table is available with round, square and asymmetrical tops in varying sizes.

Adjustable height

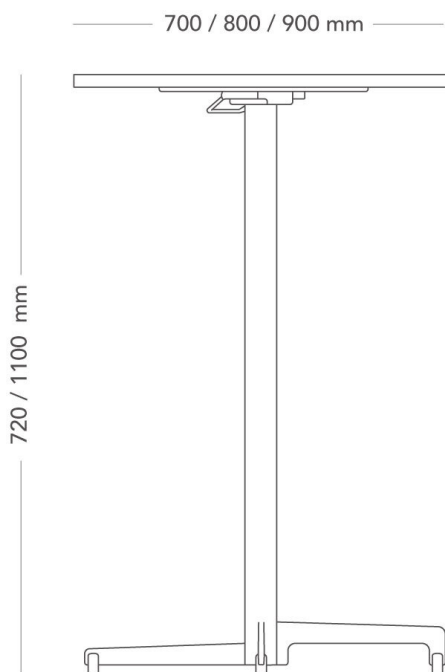

MODEL	Table with tiltable top	
DETAILS	– Tops in different shapes, width 600-900 mm, with straight edges – Tiltable top Adjustable foot The disc is folded down with the control / carrying handle	
CONSTRUCTION	A round pedestal leg, Ø60 mm, made of steel with control and carrying handles in zinc. Asymmetrical cross base with adjustable feet. The 22 mm tabletop has a particleboard core with a straight edge, coated with veneer, laminate, HPL, or linoleum. The thickness of the surface coating varies depending on the chosen material.	
DIMENSIONS	Height: 720-1100 mm Width: 620 - 800 mm	Length: 600 - 800 mm Ø: 700 - 900 mm
TESTED	EN15372:2016 Level 2	
WARRANTY	Five (5) years
